NYETIMBER

125ML * BOTTLE

At Delapre, we are delighted to present Nyetimber as our chosen partner in English Sparkling Wine.

A new era for English wine began in 1988 when the first Nyetimber vineyards were planted in the heart of West Sussex. The aim - to make premium sparkling wine that would rival Champagne. That aim has been fully realised, and over the years the wines have attracted international acclaim and set a high benchmark for premium sparkling wines the world over.

Now the largest vineyard in the UK, the Nyetimber Estate comprises 438 acres under vine and it is the fusion of expertise in the vineyard together with highly skilled winemaking that sets the wines apart.

Journey's End From Stellenbosch

Throughout our wine list, you will find the name Journey's End. Sustainable and ethical philosophies guide everything they do. Wildlife is abundant throughout the vineyards and farm and works to create a perfect ecosystem for winegrowing; from beehives that encourage pollination, to Egyptian runner ducks that eat insects, to Eagle owls that catch rodents. Two of their very finest wines are below.
